AHIMA VLab Enrollment Code Order Form (For Currently Enrolled Organizations Only)

AHIMA Virtual Lab Student Enrollment Codes: A unique enrollment code is required for each student to complete his/her individual account registration in the AHIMA Virtual Lab. For volume orders, enrollment codes are provided to organizations via a text file listing all of the codes ordered. Individual enrollment codes can be distributed by your organization as students need them. Each enrollment code can be used only one time. Enrollment codes give students AHIMA Virtual Lab access for 1 year from the date they redeem the code.

Return Policy: **ENROLLMENT CODES CAN BE REDEEMED UP TO TWO YEARS AFTER PURCHASE!** However, if necessary, unused AHIMA VLab codes are eligible for a refund if cancelled within 30 days of the date of purchase, <u>minus</u> a \$25 cancellation fee. Refunds will not be issued after 30 days from the purchase date.
